TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H16-1062-21 **Date of Decision:** 23rd May 2022

Applicant: Mr S Gareb
C/O Zeal Wilkes Ltd.
2nd Floor
81 London Road
Leicester
LE2 0PF

Location: Former Spalding Delivery Office The Crescent Spalding

Description: Change of use of former sorting office to mixed use comprising retail use on ground floor and 9 flats on upper floors, and external alterations.

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Application Form
Design and Access Statement prepared by Zeal Wilkes 2008 A2.1
Heritage Statement prepared by Zeal Wilkes
Topographical Survey. 1346
2008/01/100
2008/01/200
2008/01/201

2008/01/210
2008/01/211

2008/01/250 P2
2008/01/251 P1
2008/01/301 P1
2008/01/302 P1
2008/01/303 P1

Reason: For the avoidance of doubt and in the interests of proper planning.

3 A detailed scheme of construction management to minimise disturbance during the construction process through noise, dust, vibration and smoke shall be submitted to and approved in writing by the Local Planning Authority before the development commences and the construction process shall be carried out in accordance with the scheme so approved. It shall also include a method statement, detailing hours of construction, how construction traffic, site personnel vehicles, materials deliveries and site accommodation will be managed to safeguard highway safety, free passage along The Crescent and Spring Gardens and residential amenity.

Reason: In the interests of the amenity of local residents. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

4 Prior to the commencement of the first use of the development hereby permitted the cycle storage as shown on drawing reference 2008/01/250 P2 shall be provided in accordance with the approved details and shall be retained as approved for the use of the residents of the development.

Reason: To ensure that adequate secure facilities are provided for cyclists using the site. This Condition is imposed in accordance with Policy 36 of the South East Lincolnshire Local Plan, 2019.

5 The development hereby permitted shall not be commenced until a scheme to deal with any contamination of land or pollution of controlled waters has been submitted to and approved in writing by the Local Planning Authority (LPA).

The scheme shall include all of the following measures unless the LPA dispenses with any such requirement in writing:
i) A preliminary risk assessment (desk study) shall be carried out to identify and evaluate all potential sources of contamination and the impacts on land and/or controlled waters, relevant to the site. The desk-top study shall establish a 'conceptual site model' and identify all plausible pollutant linkages. Furthermore, the assessment shall set objectives for intrusive site investigation works/Quantitative Risk Assessment (or state if none required). A full copy of the desk-top study and a non-technical summary shall be submitted to the LPA without delay upon completion.
ii) If identified as being required following the completion of the desk-top study, an exploratory site investigation shall be carried out to fully and effectively characterise the

nature and extent of any land contamination and/or pollution of controlled waters. It shall specifically include a risk assessment that adopts the Source-Pathway-Receptor principle, in order that any potential risks are adequately assessed taking into account the sites existing status and proposed end use. A full copy of the site investigation and findings shall be forwarded to the LPA without delay upon completion.
iii) Thereafter, a written method statement detailing the remediation strategy for land contamination and/or pollution of controlled waters affecting the site and a timetable for their completion shall be submitted to and approved in writing by the LPA. This shall include details of the proposed verification plan including compliance criteria and monitoring details.

No deviation shall be made from this scheme without the express written agreement of the LPA. If during redevelopment contamination not previously considered is identified, then the LPA shall be notified immediately and no further work shall be carried out until a method statement detailing a scheme for dealing with the suspected contamination has been submitted to and agreed in writing by the LPA.

Reason: To assess whether the site is polluted and to address any pollution to ensure a satisfactory development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policy 30 of the South East Lincolnshire Local Plan, 2019.

6 If contamination of land and/or pollution of controlled waters has been identified as a result of investigation undertaken in accordance with Condition 5 above and remediation is required, a full copy of a verification report shall be submitted to, and approved in writing by, the Local Planning Authority prior to the first occupation of the development. The report shall provide verification that the required works regarding contamination have been carried out in accordance with the approved Method Statement(s). Post-remediation sampling and monitoring results shall be included in the closure report to demonstrate that the required remediation objectives and criteria has been fully met.

Note: The applicant is advised that the phased risk assessment required by the Contaminated Land Scheme Condition should be carried out in accordance with the procedural guidance of the Environmental Protection Act 1990 Part 11A.

Reason: To ensure the satisfactory remediation of contaminated land and/or waters.
This Condition is imposed in accordance with Condition 30 of the South East Lincolnshire Local Plan, 2019.

7 Prior to the occupation of any dwelling, full details of the arrangement for private refuse/recycling collection shall be submitted to and approved in writing by the Local Planning Authority. The approved management arrangements shall be implemented upon first occupation of any dwelling and thereafter retained for the lifetime of the development.

Reason: This application has been approved on the basis that waste collection will be carried out by a private company and to ensure appropriate arrangements are in place for the collection of refuse/recycling.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

8 Within seven days of the new access being brought into use, the existing access onto Spring Gardens shall be permanently closed in accordance with a scheme to be agreed in writing by the Local Planning Authority.

Reason: To reduce to a minimum, the number of individual access points to the premises, in the interests of road safety.
This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

9 Details of the roof extensions, new and replacement window frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2021.

10 Large scale constructional drawings (including vertical and horizontal sections) at a scale of at least 1:5 and/or full scale samples of the timber mouldings for such features as stallriser panels, door panels, pilasters, consoles, corbels, fascia surround and cornice, shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. The development shall be constructed in accordance with the details so approved.

No vinyl or other advertisements or decals shall be installed upon the external or internal glazing of the shopfront windows hereby approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2021.

11 The flat roof of this building shall not be converted into or be used as a terrace or other form of open amenity space. No alterations shall be carried out, nor planters or other chattels placed on the roof hereby approved in connection with its use as a roof terrace or other form of open amenity space. No railings or other means of enclosure shall be erected on the roof and no alterations shall be carried out to any elevation of the application property, including the flat roof hereby approved, to form access onto this roof.

Reason: Such a use would be detrimental to the amenities of neighbouring properties by reason of overlooking and loss of privacy and potential noise and disturbance.
This Condition is imposed in accordance with Policies 2 and 3 of the South East

Lincolnshire Local Plan, 2019 and national guidance contained in the National Planning Policy Framework, 2021.

12 The water consumption of each dwelling hereby permitted should not exceed the requirement of 110 litres per person per day (as set out as the optional requirement in Part G of the Building Regulations 2010 and the South East Lincolnshire Local Plan, 2019). The person carrying out the work must inform the Building Control Body that this duty applies. A notice confirming the requirement for the water consumption has been met shall be submitted to the Building Control Body and Local Planning Authority, no later than five days after the completion of each individual dwelling.

Reason: To protect the quality and quantity of water resources available to the district. This Condition is imposed in accordance with Policy 31 of the South East Lincolnshire Local Plan, 2019.

Notes:

Your attention is drawn to the requirement for the developer to resite any telephonic or other service cabinets currently on or adjacent to the site at their own expense.

The highway improvement works referred to in Condition 8 are required to be carried out by means of a legal agreement between the landowner and the County Council, as the Local Highway Authority.

Your attention is drawn to the existing Building Regulations and to incoming regulations regarding the consideration of overheating mitigation and fire safety, including means of escape, fire spread, structural fire protection and fire service access requirements as well as access for disabled users.

The developer is advised that future residential occupants should sign up to receive Flood Warnings.

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
