

A hand-drawn site plan of a church complex. The plan shows a central building with a circular tower on the left side, containing a cross. To the right of the tower is a large rectangular area divided into a grid of smaller rooms, likely classrooms or offices. Further to the right is a long, narrow rectangular area, possibly a parking lot or a large hall, with the text "2B x HB piers" written above it. The entire complex is enclosed by a "Brick Wall". Outside the wall, there are several trees: a large "sycamore" tree at the top left, a "h. chestnut" tree at the bottom left, and two other trees on the right side. A "Fencing" line is indicated at the bottom left and right. A "Church Gate" is marked on the left side, with a "gas" station and a "stop" sign nearby. The street "The Vista" is shown at the bottom.
