SHOP PLAN

SECTION

PLANNING DESIGN AND ACCESS STATEMENT

Replacement shop front apart from door and frame which is to remain (wood) The windows are to be direct glazed UPVC and double glazed for better thermal performance than the single glazed wooden units they replace.

The reason for replacement is evident in the photos that show the existing in a state of disrepair leaving only the door and door framework to be kept which is protected from the most severe weather.

PROPOSED SHOP WINDOW REPLACEMENT AT HAIRDRESSING SALON 60 WINSOVER ROAD SPALDING FOR MR & MRS H WOOD

DO NOT SCALE FROM THIS DRAWING
