Standing Advice

Dear Sir/Madam,

Following a high-level review of the above planning consultation, Active Travel England has determined that standing advice should be issued and would encourage the local planning authority to consider this as part of its assessment of the application. Our standing advice can be found here:

<https://www.gov.uk/government/publications/active-travel-england-sustainable-development-advice-notes>

ATE would like to be notified of the outcome of the application through the receipt of a copy of the decision notice, in addition to being notified of committee dates for this application.

Kind regards

Development Management Team
