Description: Proposed signage

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) for the parts of the above proposal listed below and those parts are subject to the following condition(s):

- 1 (a) All advertisements displayed and any land used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local Planning Authority;
(b) Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.
(c) Where any advertisement is required under the Regulations to be removed, the removals shall be carried out to the reasonable satisfaction of the Local Planning Authority;
(d) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.
(e) No advertisement shall be sited or displayed so as to obscure, or hinder the ready interpretation of, any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway (including any coastal waters) or aerodrome (civil or military).
(f) This consent shall be for a period of five years.

Reason: As required by the Town and Country Planning (Control of Advertisements) Regulations 1992.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Dwg. No's: C15A86-PS002, C15A85-PS003, C15A85-PS004, C15A85-PS005 (Signs 1,3,4,5,6,7) and C15A85-PS006 (Signs 1,3,4,5,6,7).

Reason: For the avoidance of doubt and in the interests of proper planning.

South Holland District Council hereby give notice that permission has been REFUSED for the parts of the above proposal listed below along with the associated reason(s):

- 3 The Vinyl Aldi Sign (reference number 2) forming part of this application is refused as it is, by reason of its size, design and materials, harmful to the character and appearance of the host building. It is therefore contrary to advice within the National Planning Policy Framework, 2012. Paragraphs 7, 17 and 67 indicate that the role of planning authorities is to conserve and enhance the built environment and that poorly placed advertisements can have a negative effect on the appearance of the built environment. The sign in question is considered to have such a negative effect in this instance.

Planning Manager
South Holland District Council**

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice

the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
