1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of receipt of this notice. (Appeals must be made either electronically via the Planning Portal at www.gov.uk/government/organisations/planning-inspectorate or by using a form which can be obtained by contacting the Customer Support Team on 0303 444 00 00). The Secretary of State has a power to allow a longer period for the giving notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving of a notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the local planning authority was based on a direction given by them. Please note, only the applicant possesses the right of appeal.

2. Applicants that want a planning appeal to follow the Inquiry procedure should notify the local planning authority and the Planning Inspectorate at least 10 working days before submitting their planning appeal. Further information and a copy of the template notification form can be found here: https://www.gov.uk/government/publications/notification-of-intention-to-submit-an-appeal

   The form should be emailed to Lincolnshire County Council at dev_planningenquiries@lincolnshire.gov.uk and the Planning Inspectorate at inquiryappeals@planninginspectorate.gov.uk

3. If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by carrying out of any development which has been or would be permitted, they may serve on the council of the district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

4. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
