- The site plan shows a rectangular property with a total area of 6500 sqm. The property is divided into several sections: a central rectangular area (3740m x 6500m) containing a house and a gravel driveway, and a smaller rectangular area (3740m x 3740m) to the left. The house is a two-story structure with a central section (3740m x 6500m) and two side sections (3740m x 3740m). The central section is divided into two parts: a front section (3740m x 3740m) and a rear section (3740m x 3740m). The rear section is further divided into two parts: a central section (3740m x 3740m) and two side sections (3740m x 3740m). The central section is labeled 'LAWN' and the side sections are labeled 'LAWN'. The gravel driveway is located to the right of the house. The property is bounded by a '2.0m HIGH CLOSE BOARDED FENCING' on the left and a 'PICKET FENCE' on the right. The property is adjacent to a 'Footway - Asphalt' and a 'Garage' on the left. The site plan includes a scale bar (0 to 8 metres) and a north arrow. The site plan is labeled 'Site Plan 1:100'.
