**Application No. H16-1152-25**

Thank you for your letter of 22 April 2026 regarding the above application for listed building consent and the provision of further information.

We appreciate the Schedule of Works regarding window repairs that has been provided after our previous comments. We refer you to the following published advice which you may find helpful in determining the application:

We also suggest that you seek the views of your specialist conservation adviser.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. If you would like detailed advice from us, please contact us to explain your request.

Yours sincerely

I. Hartley
