This drawing is copyright and may not be altered, reused, photographed or used for any other purpose whatsoever unless first agreed in writing by the author. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including illustrations are based upon Vybase site conditions relative to the area. No responsibility can be accepted for abnormal conditions which may be encountered during construction unless reported to the Architect as the detailed dimensions may be coordinated. Site surveys are recommended to inspect all foundations to ascertain whether the site conditions before foundation work is undertaken. This drawing is limited to the details shown and does not purport to include a full specification of the works. It is the responsibility of the contractor to ensure all materials and workmanship comply with manufacturers instructions and relevant code of practice. Materials to be new unless otherwise stated and components, and materials etc. to be used must be used as in contract document terms. The works will not be warranted or supervised by us unless we are employed to do so by the building owner. Building Regulation approval, this drawing must not be used for construction purposes. Any proposed changes to the design must be approved by us before work starts on site. Dimensions are not to be scaled from this drawing. Figured dimensions only are to be taken from this drawing. Any discrepancies are to be reported to the Architect before work starts on site. Any variations to the contract are to be agreed in writing before work starts on site. Any variations to the contract are to be agreed in writing before work starts on site. Any variations to the contract are to be agreed in writing before work starts on site.

DO NOT SCALE FROM THIS DRAWING
