Application	H16-1163-15
Location	Banbury Close Spalding PE11 2BW
Proposal	Residential development of 10 dwellings with associated parking and garages on former builders yard

---

Name	Glen Chapman
Address	Environmental Health Technician Safety and Environment

Date Submitted	26-01-16
For/Against	Comments

The proposal means that residents will take refuse/recycling sacks to the edge of the development. This will mean sacks will be out of sight of the development but they will then be outside/in full sight of Banbury Close residents.

Access roadways to residential properties should be constructed to an adoptable standard under an agreement with Lincolnshire County Council so that they will become public highways. This will enable refuse/recycling collections to be carried out from outside individual properties without the need for communal collection points.
