

GENERAL NOTES

Copies of drawing 093/1/2004 & 093/2/2004 must not be taken,traced or altered for any purpose oth
than that for which it is issued without written permission of MW Architectural - Detailing services. These
drawings are produced only for the purpose of obtaining Planning Permission & do not contain a full
specification for the proposed works & must not be used as a contract document alone. The proposed wo
will not be supervised / inspected on site by MW Architectural / Detailing Services & it is therefore the cli
variations to the contract ,all measurements on this drawing are not to be scaled for construction / orderi
or thier appointed Builder / Contractor responsibility to control workmanship / materials / specification & an
purposes, dimn's & set out of the works as shown on the drawing to be checked by the Builder / Contractor
prior to the commencement of work & any discrepancies report immediately.

All existing Service pipes, cables etc. are not shown on this drawing, their positions etc. are
to be confirmed prior to commencement of the proposed work to ensure they do not affect
the building design etc.

HEALTH & SAFETY

Construction (Design & Management) regs 1994 (CDM).Should the works need to comply
with the Construction Design & Management Regulations an independent Planning Supervisor
would be read to co-ordinate the Health & Safety aspects of the project during the construction
period from the time of site possession to completion handover to the client. The client is to ensure
that the appointed contractor is familiar with & complies with Health & Safety for
Building Sites & Work Places.
