Dear Bob, David, We are looking at solar powered lights - 6 in total. One at each width and two each length.

Approx on 4m poles- height could be adjusted to suit planning.

Dear Bob,

In order to complete this condition compliance application please provide further details of the height, materials and type of lighting to be provided. The supplied map only provides a location.

Kind regards,

David Grant | Senior Planning Officer | **South Holland District Council**
