2.
Dating probably from late mediaeval period (exposed timber framing in north wing) but front later and of builds. To east, early-mid C18. 2 storeys and gabled dormer. Parapet and cornice. Rendered. 2 windows in surrounds with rusticated keystones, glazing bars. Band between storeys. 2 windows on ground floor have pulvinated friezes and cornices and surrounds. West section later. 3 storeys. Also rendered and with roof of Welsh slates. 7 windows in surrounds- corresponding blind panels to top storey. Glazing bars. 5 windows on ground floor. Rusticated quoins and bands between storeys. Parapet. Projecting rectangular porch in Roman Doric. Interior contains part of original C17 staircase, as well as earlier wing to rear.
