South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is outside the confines of a settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to Policy 6a and 7a of the Lincolnshire Structure Plan and Policy H3 of South Holland District local Plan Deposit Draft. These policies are in accordance with national planning policies as set out in Planning Policy Guidance Note 7, 1992 (The Countryside and the Rural Economy) and are aimed at the conservation of agricultural land, the preservation of the character of the countryside, and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purposes of these policies, because as well as its individual effect on these issues, it would encourage further similar proposals which would be difficult to resist.

This decision refers only to that required for the purposes of the Town and Country Planning Act and not for Building Regulations or any other legislation. See enclosed notes relating to rights of appeal.
