Application	H16-1245-16
Location	Parkside Crescent Park Road Spalding PE11 1RA
Proposal	Proposed residential development

Name	J Reith
Address	Environmental Health Technician Safety and Environment

Date Submitted	23-12-16
For/Against	Comments

The Site Investigation Report by Southern Testing, Project Reference JN0699, satisfies parts 1 and 2 of the contaminated land condition. The report recommends the submission of a remediation method statement and a validation plan. I therefore request parts 3 and 4 of the contaminated land condition.
