

	Protected tree work form Please complete in block capitals	For office use only: Reference no: Date Registered:
Your name and address: Craig Franks / Emma Steel – Spalding Grammar School, Priory Road, Spalding, Lincs, PE11 2XH E-mail: 	Name and Address of Agent (If the form is completed by an agent.) N/A Tel: E-mail:	Please tell us the location of the tree(s). Tree Number 18a – Inside of school grounds near pedestrian gate / fenced entry from St Thomas Road Tree Number 18 – Inside of school grounds, side of driveway near canteen directly opposite mature Ash & Horse Chestnut species Tree Number 31 – Inside of school grounds (Memorial Garden) – Recently struck by a delivery driver

I give six weeks' notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: - Spalding Grammar School

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
Unknown	18	Tree removal as soon as possible due to root damage caused by suppression from larger trees and trimmer damage. To be replaced with a new tree minimum 1.5 meters. (Health & Safety matter – Diane Fairchild aware)	The tree is showing signs of decay from the base and we have genuine concerns for the Health & Safety of our students.	TBC – Diane Fairchild advice required
Unknown	18a	Tree removal due to root damage caused by fencing construction / suppression from larger trees and trimmer damage. To be replaced with a new tree minimum 1.5 meters. (Health & Safety matter – Diane Fairchild aware)	The tree is showing signs of decay from the base and within (rotten internally) we have genuine concerns for the Health & Safety of our students.	TBC – Diane Fairchild advice required
Prunus Subhirtella	31	Tree removal and stump grind following impact from delivery driver. To be replaced with a new tree as advised by Sara Bright. (Awaiting approval – 6 weeks notice 11.01.2022)	Two main branches were recently struck by a delivery driver causing significant trauma to the tree confirmed by Sara Bright (Thoughts attached) Greville Bray & Nigel Holly.	Either a Betula pendula Youngii / Sorbus Vilmorinii or an Acer Griseum – Happy to take advice from Diane Fairchild

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.

Signed.....

Date:30.11.2021
