

Below is front elevation of 42 Pinchbeck Road. All five windows to be replaced (two top windows, two arched windows, bay window). Current door will remain.

Side elevation of right of house from the main road. All three windows to be replaced (two

arched and one large window)

Left elevation from main road. All five windows to be replaced. This is the best photo I can get (the two photos are of the same side).

---

Rear elevation. One window and one rear french door.

Rear side elevation. All eight windows to be replaced and French door.
