Name	Pedals c/o Roger Smith
Address	18 Cley Hall Drive Spalding PE11 2EB
Date Submitted	10-01-19
For/Against	Objections

It appears that details of how the cycle racks are to be covered have not yet been submitted, so the application does not fully comply with condition 14 of H16-0778-18. As for the racks submitted, we recommend the use of "Sheffield" type stands, because those which secure one wheel only are likely to cause damage to the wheel unless used with exceptional care.
