The **Planum**

HIGH QUALITY CONCRETE

The **Planum Concrete** in Rustic (85)

The Planum Concrete sets a new standard for flat concrete tiles which everyone from Architects to Roofers will appreciate.Technically it is state of the art, it has an ultra smooth flat finish and clean 'pore free' edges to make the finished roof look superb. With a covering capacity of just 10 tiles per square metre it makes the **Planum Concrete** micro concrete tile the perfect choice for a very economical and attractive roof.

Our **Planum Concrete** tiles work extremely well with both modern and traditional architecture and they are available in six different colours and a wide range of fittings.
