Application no. H 16/1 92/78

Particulars and location of development:

Erection of dwelling with access at Wykeham Nurseries, Roman Bank, SPALDING.

Part II—Particulars of decision

The South Holland District Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1971 that **outline planning permission has been granted** for the carrying out of the development referred to in Part I hereof in accordance with the application and plans submitted subject to the following conditions:

1. Application for approval of reserved matters must be made not later than the expiration of three years beginning with the date of this permission and the development must be begun not later than whichever is the later of the following dates:
   (a) the expiration of five years from the date of this permission; or
   (b) the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved;
2. The following matters are reserved for subsequent approval by the Local Planning Authority, namely detailed drawings to a scale of not less than 1:100 showing the siting, design and external appearance of the building including particulars of the materials to be used for external walls and roofs, and the siting and design of any vehicular access to a road, and no development shall be commenced until these matters have been approved.
3. The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, locally in agriculture as defined in Section 290(1) of the Town and Country Planning Act 1971, or a dependent of such a person residing with him, or a widow or widower of such a person.
4. Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor car to turn to enable it to enter and leave the highway in forward gear.

NOTE TO APPLICANT: Your attention is drawn to the attached letter from the South Holland Internal Drainage Board.

The reasons for the conditions are:

1. Required to be imposed pursuant to section 42 of the Town and Country Planning Act 1971. 2. The application was submitted in outline only. 3. The site is in a rural area where it is the policy of the Local Planning Authority not to permit residential development except in the interests of agriculture or where related to the use of the land. The circumstances of this case relate to an agricultural need, and permission is therefore confined to it. 4. To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.
