South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED to retain buildings/continue use of land in accordance with the application submitted, subject to any condition(s) below:

- 1 At the expiration of the period of one year from the date of this permission, the mobile home and any ancillary structure shall be removed from the site and the site reinstated to the reasonable satisfaction of the Local Planning Authority.

Reason: The site is not considered suitable as a permanent caravan site and the development may cause injury to the amenity of the locality if permitted permanently. This permission is being granted only in view of the circumstances of the case to meet the special needs of the applicant and to enable the Local Planning Authority to determine whether a viable agricultural enterprise has been established over the specified period of time.

- 2 The occupation of the mobile home shall be limited to a person solely or mainly employed, or last employed, locally in agriculture as defined in Section 336 of the Town and Country Planning Act 1990, or a dependent of such a person residing with him, or a widow or widower of such a person.

Reason: The site is in a rural area where it is the policy of the Local Planning Authority not to permit residential development except in the interests of agriculture or where related to the use of the land. The circumstances of this case relate to an agricultural need, and permission is therefore confined to it.
