DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on the drawing including foundations are based upon typical site conditions created by the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design alterations may be considered. The Authorities are recommended in respect of Thames Water Utilities Ltd. that no development should be commenced until adequate capacity exists to serve the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approvals. That covering must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, subdivision or extension, adherence to specification, variations to contract etc.All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or Agrément Certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and specification. Any work not specifically mentioned but clearly implied or necessary for the proper completion of the works shall be carried out by the contractor as included in the contract. It is the client / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
