Application H17-0088-17
Location Land adjacent: 72 Station Road Surfleet Spalding PE11 4DB
Proposal Residential development following removal of horticultural nursery buildings

Name Noise and Contaminated Land
Address Environmental Health Technician Safety and Environment

Date Submitted 23-03-17
For/Against Comments

The Phase 1 Desk Study Report by A F Howland & Associates dated 28/2/17 recommends that further ground investigation is required. I therefore require parts ii-iv of the contaminated land condition.
