South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 Notwithstanding the submitted details before the development hereby permitted is commenced details of the type and colour of the materials to be used for external walls shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the external appearance of the proposed development harmonises with existing buildings in the area.

- 3 Before the vehicular access is commenced to be used the access and turning facility shall be provided on site in accordance with the plan accompanying the application.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

- 4 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved by the Local Planning Authority.

Reason: In the interests of visual amenity.

- 5 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of

completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

- 6 The existing beech hedge shall be retained at a height of at least 1.0 metres along the highway boundary of the site apart from at the access point and in the event of the existing hedge dying, it shall be replaced within 6 months by beech hedging. Such replanting shall be maintained by the owner or owners of the land on which it is situated for the period of 5 years, beginning with the date of completion of the planting and during that period all losses shall be made good as and when necessary, the hedge shall be allowed to reach a height of at least 1.0 metres.

Reason: In the interests of the visual amenity of the street scene.

- 7 No trees or shrubs on the site shall be lopped, topped, felled or uprooted. Any trees dying or becoming dangerous shall be replaced with trees of such size and species as may be agreed in writing with the Local Planning Authority.

Reason: In the interests of the amenity of the area.
