

Side Elevation

This architectural floor plan shows a single-story house with the following rooms and features:

- Rooms:** Store, Ent. Hall, Kitchen, Breakfast, Study, Lounge, Sitting Room, Utility, Shower, and a central staircase.
- Outdoor Areas:** A gravel drive, a concrete footpath, and a concrete patio area.
- Structural Details:** Two concrete pillars are shown near the gravel drive. Slopes are indicated as 'slope up 30mm' in three locations.
- Other Labels:** 'step up' is noted near the kitchen and the patio. A dashed line points to an 'existing septic tank'.
