Application H17-0404-22
Location FAIRVIEW BIRDS DROVE SURFLEET PE11 4BE
Proposal Conversion and alterations of agricultural and nursery buildings into residential dwelling

Name Welland and Deepings Internal Drainage Board
Address Deeping House Welland Terrace Spalding PE11 2TD

Date Submitted 03-05-22
For/Against Comments

Thank you for your consultation on the above application. I note that surface water will be disposed of via soakaways and permeable surfaces. I see from the submitted plan that the access culvert serving the property is proposed to be widened. If this culvert crosses an open watercourse then the Boards prior written consent will be required and the agreement of technical details. The applicant can contact the Board directly to discuss this should planning permission be granted.
