Location: Land Off Station Road Surfleet

Description: Erection of 32 dwellings - Outline permission H17-0562-16

South Holland District Council hereby give notice that APPROVAL HAS BEEN GRANTED for the details submitted under the terms of the outline permission, subject to any condition(s) set out below:

1 The development hereby permitted shall be carried out in accordance with the following approved plans:

428.SL.01C;
428.LD.01C;
428.LD.02B;
428.DS.01;
428.TS.01;
428.Aln&Lan.01;
432.Aln&Lud.01;
432.Hyl.01;
432.Lau.01;
428.Lan.01;
428.Lind.01;
432.Lum.01;

428.Roc.01A;
428.Str.01;
428.TW1.01;
428.TG1.01;
428.SG.01;
428.DG1.01;
Drainage Strategy (Revision A, dated 2nd August 2018); and
Materials Schedule (dated 3rd August 2018).

Reason: For the avoidance of doubt and in the interests of proper planning.

2 Before the access is brought into use all obstructions exceeding 0.6 metres high shall be cleared from the land between the highway boundary and the vision splays indicated on drawing number 428-LD-02B, dated 27th April 2018, and thereafter the visibility splay shall be kept free of obstacles exceeding 0.6 metres in height.

Reason: In the interests of safety of the users of the public highway and the safety of the users of the site.
This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

3 No development shall take place before a scheme has been agreed in writing by the local planning authority for the construction of a 1.8 metre wide footway, together with arrangements for the disposal of surface water run-off from the highway at the frontage of the site. The agreed works shall be fully implemented before (any of) the dwelling(s) is/are occupied. Or in accordance with a phasing arrangement to be agreed in writing with the local planning authority.

Reason: To ensure safe access to the site and each dwelling/building in the interests of residential amenity, convenience and safety. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006

4 Before any dwelling is commenced, all of that part of the estate road and associated footways that forms the junction with the main road and which will be constructed within the limits of the existing highway, shall be laid out and constructed to finished surface levels in accordance with details to be submitted and approved by the local planning authority.

Reason: In the interests of safety of the users of the public highway and the safety of the users of the site. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

5 No development shall be commenced until an Estate Street Phasing and Completion Plan has been submitted to and approved in writing by the Local Planning Authority. The Estate Street Phasing and Completion Plan shall set out the development phases and the standards that estate streets serving each phase of the development will be completed.

Reason: To ensure that the estate streets serving the development are completed and thereafter maintained to an acceptable standard in the interest of residential/highway safety; to ensure a satisfactory appearance to the highways infrastructure serving the development; and to safeguard the visual amenities of the locality and users of the highway. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

6 No development shall take place until a surface water drainage scheme for the site, based on sustainable urban drainage principles and an assessment of the hydrological and hydrogeological context of the development, has been submitted to and approved in writing by the Local Planning Authority.

The scheme shall:
a) Provide details of how run-off will be safely conveyed and attenuated during storms up to and including the 1 in 100 year critical storm event, with an allowance for climate change, from all hard surfaced areas within the development into the existing local drainage infrastructure and watercourse system without exceeding the run-off rate for the undeveloped site;
b) Provide attenuation details and discharge rates which, unless agreed otherwise with the surface water receiving body, shall be restricted to 1.4 litres per second per hectare;
c) Provide details of the timetable for and any phasing of implementation for the drainage scheme; and
d) Provide details of how the scheme shall be maintained and managed over the lifetime of the development, including any arrangements for adoption by any public body or Statutory Undertaker and any other arrangements required to secure the operation of the drainage system throughout its lifetime.

The development shall be carried out in accordance with the approved drainage scheme and no dwelling shall be occupied until the approved scheme has been completed or provided on the site in accordance with the approved phasing. The approved scheme shall be retained and maintained in full in accordance with the approved details.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies SG11 and SG12 of the South Holland Local Plan, 2006 and national guidance contained in Section 14 of the National Planning Policy Framework, 2018.

7 No development shall commence until a scheme for the provision of infrastructure to ensure the availability of water supplies to the Fire Service in the event of an emergency, have been submitted to and approved in writing by the Local Planning Authority. The details as approved, including timings, shall be fully implemented before the development is first brought into use and shall be retained thereafter.

Reason: In the interests of fire safety. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

8 The scheme of landscaping and tree planting shown on dwg. no's. 428.LD.01C and 428.LD.02B (dated 27th April 2018) shall be carried out in its entirety within a period of twelve months beginning with the date on which development is commenced. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.
This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan, 2006.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

All or part of the highway to be constructed in accordance with planning approval hereby granted is to be constructed to an adoptable standard and subsequently maintained at public expense. It is necessary for the developer to comply with the Lincolnshire County Council Development Road Specification in accordance with a Section 38 (Adoption of highway by agreement) or Section 219 (the Advance Payments code) of the Highways Act 1980. You are reminded of the need for early discussions with statutory undertakers to co-ordinate the laying of services under highways to be adopted by the Highway Authority. Please contact 01522 782070 or developmentmanagement@lincolnshire.gov.uk

Please contact Lincolnshire County Council Streetworks & Permitting team on 01522 782070 to discuss any proposed statutory utility connections and any other works which will be required in the public highway in association with this application. This will enable Lincolnshire County Council to assist you in the coordination and timings of such works.

Planning and Building Control Manager
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
