Description: Demolition of industrial buildings and new residential development

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

- 1 The proposal is contrary to Policy H3 of the First Deposit Draft of the South Holland District Local Plan to 2011. This policy is part of an overall housing strategy within the evolving Local Plan which aims to:

 - be in accordance with advice within the Government's Planning Policy Guidance Note No. 3 'Housing'.The proposed development would, if permitted, add unnecessarily to the supply of housing land, contrary to those aims, and would create a precedent for granting other permissions. This would have the cumulative effect of further prejudicing the preparation of the emerging Local Plan and the achievement of those aims.

The determined plans are:

The Environment Agency has objected to the proposal given the absence of a flood risk assessment under the provisions of Planning Policy Guidance Note No. 25 "Development and Flood Risk", July 2001. In the event that you wish to take the proposal further or re-submit a similar application you are advised to carry out such an assessment. If you require further advice on this matter please contact the Environment Agency (Mr Mike Braithwaite tel: 01522 785896).
