Suggested Changes

Condition 2

The number and types of vehicles allowed on site shall be agreed under any approved (or permitted) Operators Licence.

(Presumably the issue of an operator's licence by the Department, takes into consideration safety, intensity, traffic generation, etc)

Condition 3

The access to the development hereby approved shall be through the driveway running along the side of Orchard House (off Gosberton Road) or from the existing access off the link road.

The improvement works to the junction/round-a-bout and the driveway shall be completed within two months of the commencement of the development hereby permitted.
