Woodstone Build-in Nest Box - Visible

This woodstone swift nest box is designed to be built into a wall forming a permanent swift box in the block or brick structure.

Manufactured from a concrete and wood fibre mix this swift bird box will not rot or deteriorate and carries a 10 year warranty.

Trying to avoid a southerly facing position, fix your swift box at least 5 metres above the ground ensuring there is an unobstructed flight path for birds entering and leaving the box.
