I have reviewed the AF Howland Associates Limited report 'A remediation method statement and validation plan to support the construction of a residential development at: Land adjacent to 72 Station Road, Surfleet' ref TJS/22.067/RMS dated 22 July 2022 and in agreement with the proposals. I recommend discharge of 5 of H17-0810-21 in full with condition 6 remaining outstanding. I look forward to receipt of the validation report in due course.
