Dear Mr Charlton,

Re: Garden Wall at 122 Station Road, Surfleet

We have recently had a new house built at the above adress by Mick Ayres Builders. On our plans which were passed by the Council we stated we were going to grow a hedge at the front of the house adjacent to the footpath on Station Road. With young children we have since changed our mind, as a hedge would take too long to grow before it would be safe for the kids.

Mick Ayres advised us to write to you to seek permission to build a wall along the edge of the footpath. There is an existing chain link fence approximatly 150mm from the path which has been there many years. The fence is1 metre high.

We would like to replace this fence with a garden wall with columns at either end and each side of the drive. The wall will be 900mm high, rising to 1 metre high at the columns.

Please write back informing us if we are allowed to do this.

Yours sincerely,

Haydn Greeves
