1/ 50. 1/ 100.

DO NOT SCALE FROM THIS DRAWING

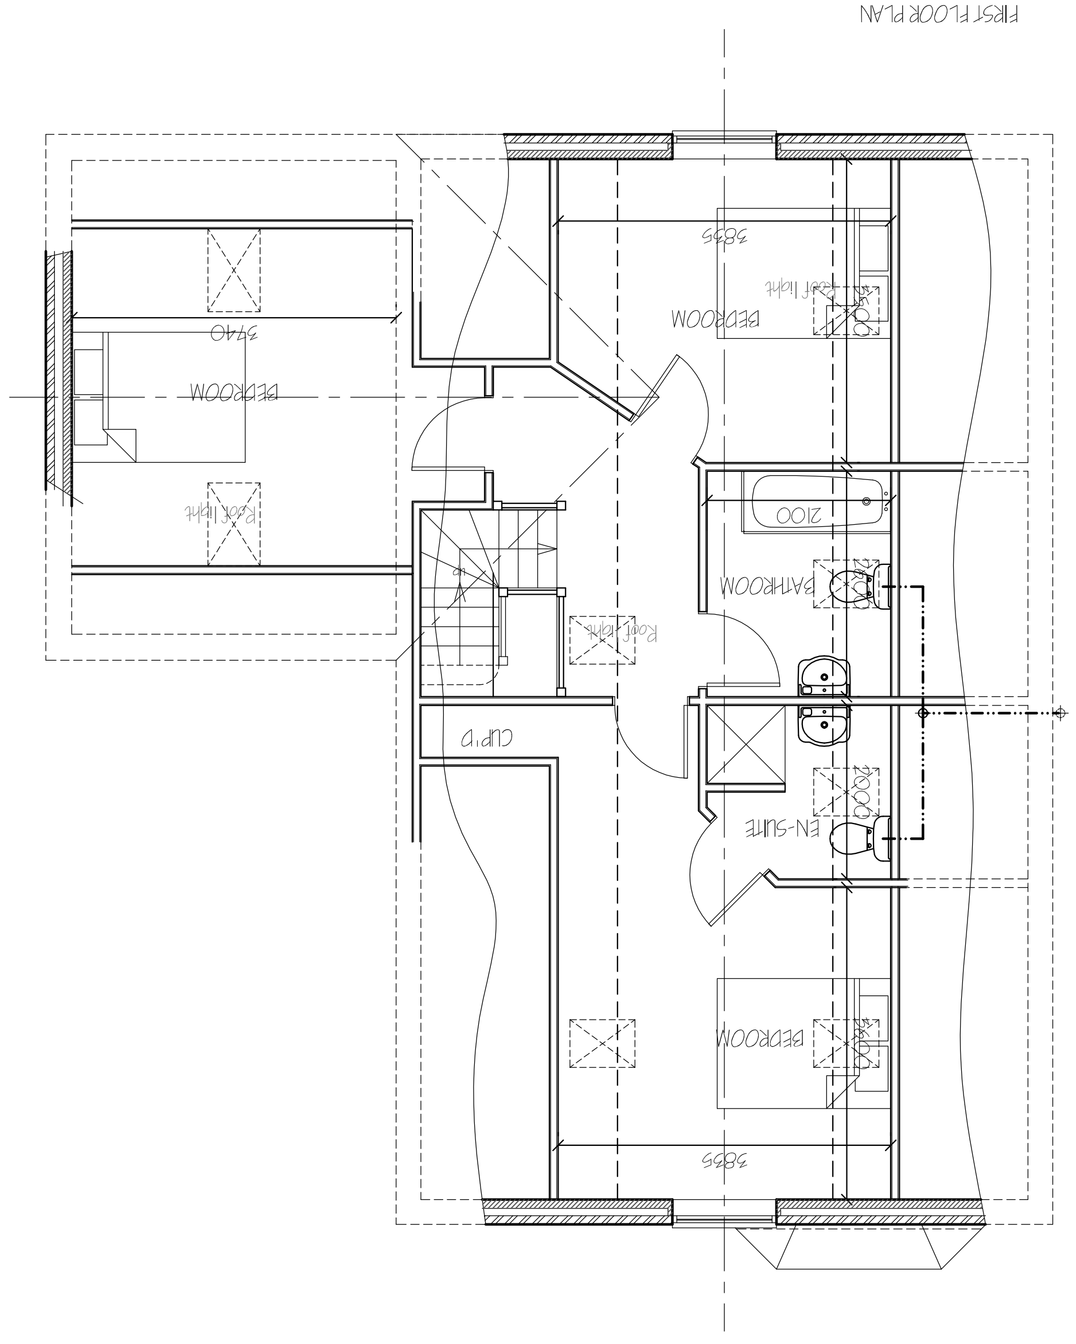

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical and assumed conditions which may not be encountered during construction unless reported to the Architect for comment before any work is put in hand. No responsibility can be accepted for abnormal conditions which may be the cause of additional costs. Do not scale this drawing. Use figured dimensions only. This drawing is limited to the design elements that may be considered. Site survey recommended to inspect foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is necessary for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to employ competent contractors and manufacturers to supervise the construction of the scheme and to ensure compliance with Building Regulations and all statutory requirements. Any discrepancies or omissions found during the course of the works must be reported to the Architect / Client / Engineer / Quantity Surveyor immediately so that the matter may be resolved. Any variations to the approved drawings or specification must be agreed in writing with the Local Authority Building Control Officer before the work is executed. Any work that contains defects which are not apparent during the course of the works but which are discovered within the period of six months from the completion of the contract must be notified to the Architect in writing immediately. Copyright of this drawing is vested in the Architect and may not be reproduced or published except with his written consent. Dimensions are to be taken from figured dimensions only. Do not scale from drawing. All dimensions are to be checked on site before any work is put in hand or any materials ordered. Any discrepancies are to be reported to the Architect before any work is put in hand or any materials ordered. Any discrepancies are to be reported to the Architect before any work is put in hand or any materials ordered. This drawing is to be read in conjunction with all relevant Structural Engineers calculations and drawings. Any discrepancies are to be reported to the Architect before any work is put in hand or any materials ordered. Any discrepancies are to be reported to the Architect before any work is put in hand or any materials ordered.
