DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are subject to confirmation by Building Control Officer and/or Engineer. The Architect is not responsible for conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information considered and does not purport to contain a full specification of the works. It is to be read in conjunction with the Building Regulations, British Standard Code of Practice and any other relevant as a contract document above. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to appoint a competent person to carry out the supervision of the works. All materials and workmanship are to be to the rules unless otherwise stated and all components and materials etc, to be used floor and installed etc, in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with the requirements of the Health and Safety at Work etc. Act 1974 and is to be responsible for all Safety on Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details which that may not specifically be shown but may be reasonably inferred as necessary to carry out the Party Wall etc. Act 1996 when building to close proximity to adjoining neighbours boundaries.
