Good afternoon David

Many thanks for your email. With regard to the objections raised at the Committee meeting, we have obviously taken them very seriously and have been working on a solution. We are no longer renting the pool to the swimming teacher, we terminated the contract on Thursday 9th October. Between us we tried very hard to manage the parking situation by using both our own gravel drives but certain parents persistently disregarded our requests! In view of Mr Charles Dobney's objections, we have decided to accommodate all parking on our own house drive and access the pool through the garden only. The swimming pool drive will be used as disabled parking only.

Best regards  
Debbie West

Dear Debbie,

Following in from last week's committee meeting, have you had the opportunity to formalise parking arrangements for areas adjacent to the proposal site?

Kind regards,
