

PLANNING APPLICATION

JOHN GRANT (DONINGTON)

6. *Further Information Relating to Outline Planning Application for John Grant (Donington) - Replacement Cottage at Gosberton Bank*

The existing Cottage and garden has been affected by the A16 Spalding to Sutterton trunk road improvement scheme and the planning application is submitted to allow a replacement dwelling to be erected further away from the new road and for the existing Cottage to be demolished. The application is in outline at this stage as it has not yet been determined the exact design of the new dwelling which, in any case, will be well screened on most sides of the site by existing vegetation.
