

An architectural line drawing of a building facade. The drawing shows a two-story structure with a gabled roof. On the roof, there are two dormer windows with gabled tops and a small rectangular window. Two chimneys are visible on the roofline. The second floor of the building has two rectangular windows. The ground floor features three large, ornate windows with decorative tracery. A red 'X' is drawn over the ground floor windows, and a red line with a scalloped top edge runs horizontally across the facade, just above the ground floor windows.

An architectural line drawing of a house. The house has a gabled roof with three chimneys. The front facade features three small windows on the left and two large, ornate double doors on the right. A red 'X' is drawn over the double doors, and a red line with a crenelated top edge is drawn across the front of the house, indicating a proposed alteration or a specific design element.
