Biodiversity Net Gain Exemption Statement

This Biodiversity Net Gain Exemption Statement is in support of the Vehicle Access planning permission application at 1 Newlands Road, Surfleet, Spalding, PE11 4DT.

The proposals impact less than 25sqm of habitat, and therefore would be exempt under the de minimis exemption outlined within The Biodiversity Gain Requirements (Exemptions) Regulations 2024.

Mr Daniel Vernall
1 Newlands Road, Surfleet, Spalding, PE11 4DT
