5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

This is a retrospective application requiring permission for a new permeable, hardstanding road within Spalding farm shop ownership. The original space towards the exit has been closed off for retail use and a new permeable road has been constructed alongside the new retail space. This then merges with the original vehicular access onto Scoldhall Lane. Please see P01 drawing.
Please note our client has not changed the access.

Has the work or change of use already started?
