Application H17-1026-23
Location 5 LOW GATE SURFLEET SPALDING PE11 4AS
Proposal Proposed open front store

Name SHDC Property Services
Address

Date Submitted 11-12-23
For/Against Objections

Major concerns with the size of the intended structure which is not in keeping with neighbouring properties.
Location of the structure would be 500mm from Council owned property boundaries. The materials stated to construct would not meet current building regulations.
The additional proposed fencing would encroach onto shared roadway. The plan incorrectly states that this is a pedestrian footpath but is actually vehicular access shared with neighbouring properties
