Afternoon Jason,

I've just been passed this file- I think I'm right in saying that the reason you've made this application is that an additional window has been inserted on the north east elevation facing towards the neighbouring dwelling? However, the drawing you've submitted appears to be the same as the one previously approved (same date/Dwg. No.) and doesn't show this additional window.

Can you confirm why you are making this application and provide an amended drawing as necessary.

Regards

Chris .
