Thank you for consulting us on this.
No objection to amendment 3.
The submitted archaeological reports are the edited versions and meet the required standards. Therefore, I recommend the discharge of condition 5.
Please note that the contents of the reports meet the requirements. However, the portal should have colour and high-resolution versions of the reports.
Please send digital copies of the final reports to the Lincolnshire County Council Historic Environmental Record at lincssmr@lincolnshire.gov.uk.
