South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of five years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

3 Before the vehicular access is commenced to be used the access and turning facility shall be provided on site in accordance with the plan accompanying the application.

Reason: To ensure the provision of adequate facilities for safe entry and exit of vehicles calling at the site in the interests of road safety.

4 The existing hedge shall be retained at a height of at least 1 metre along the highway boundary of the site apart from at the access point. In the event of the existing hedge dying it shall be replaced within 6 months by a hedge of privet. Such replanting shall be maintained by the owner or owners of the land on which it is situated for a period of 5 years beginning with the date of completion of the planting and during that period all losses shall be made good as and when necessary: the hedge shall be allowed to reach a height of at least 1 metre.
