| <b>CURRENT APPLICATION NO:</b><br>This amendment cannot be considered unless the relevant reference is stated.                              | <b>55 Station Road H17-1199-21</b>                                      |
| Building Regulation reference relating to same development (if applicable)                                                                  |                                                                         |

|                                                                                                                                                                                                                                                      |                                 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| I attach four copies of this form and necessary plans and request that the changes described below can be accepted as an amendment. As the amendment relates to a current application, I agree to an extension of the terminal date (if applicable). |                                 |
| Signed : [REDACTED]                                                                                                                                                                                                                                  | Date: 26 <sup>TH</sup> JAN 2022 |

|                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                  |    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| <b>FULL DESCRIPTION OF DEVELOPMENT OF CURRENT APPLICATION THAT THIS AMENDMENT RELATES TO</b>                                                                                             | BARN / WORKSHOP BUILDING                                                                                                                                                                                                                                                         |    |
| State details of amendments proposed. (Give a full detailed list of the changes, and also mark these clearly on the accompanying plans. Only the changes listed here will be considered) | All the walls will be cavity wall, walls will be built with block work from inside and outside will be red brick work and tiled roof. Main entrance door on the front elevation will be about H: 2300mm to 2500mm wide and about 2100mm high, double metal doors will be fitted. |    |
| State drawing numbers of the current submission                                                                                                                                          |                                                                                                                                                                                                                                                                                  |    |
| Has this amendment been requested by the Council? (If so, state Officer dealing with the application)                                                                                    | YES/NO                                                                                                                                                                                                                                                                           | No |
| Describe any part of the original development which is excluded by virtue of the amendment, and state any alteration to plot numbers                                                     | These changes are only effecting the front elevation and they are not effecting any other parts of the building.                                                                                                                                                                 |    |

|                                                                                                                                      |        |    |
|--------------------------------------------------------------------------------------------------------------------------------------|--------|----|
| Has a similar amendment been submitted under Building Regulations? (If so, state Building Control Surveyor dealing with application) | YES/NO | No |
|--------------------------------------------------------------------------------------------------------------------------------------|--------|----|
