Dear Eloise

RE PL/0065/24 PROPOSED ANAEROBIC DIGESTOR PLANT AND ASSOCIATED BUILDINGS LOCATION: LAND TO THE EAST OF SURFLEET BANK AND WEST OF WOAD FARM, SPALDING

In response to your email of 6th September 2024 with the issue of your screening opinion dated 5th September, and letter outlining the Environmental Impact Assessment requirement for the above planning application, we are writing to inform you that we accept the view that an EIA is required.

We are in the process of appointing a consultant to assist in providing this and either ourselves or the appointed consultant will be in touch to request a scoping opinion.

If you can please confirm that you have received this letter and that we are within the 3 week deadline so the application will not be automatically refused.

Yours Sincerely

Paul J Ingle
