AS INDICATED.

**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is intended. The Clerk of Works is to inform all tradesmen as also and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon assumed site conditions outlined to the extent, No responsibility can be accepted for otherwise conditions which may be discovered during construction unless reported to the Architect so that design arrangements may be considered. Site and surveys are made where and in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client's or their appointed agents responsibility to source contractors, subcontractors of materials, references to specification, variations or omitted site.

All materials to be new unless otherwise stated and all components and materials are to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the specified contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety Legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be assumed to be included.
