Description: Residential development

Location : Plot 38, Railway Lane Sutton Bridge
Spalding Lincs

South Holland District Council hereby give notice that OUTLINE PLANNING PERMISSION HAS BEEN GRANTED for the development in accordance with the application submitted, subject to the following condition(s):

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission.
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent written approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) The siting and design of any vehicular access to a road;
(3) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

Reason: The application was submitted in outline only.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the

SOUTH HOLLAND DISTRICT COUNCIL

approved scheme is implemented satisfactorily.

4 Before the commencement of the construction of the dwelling, a satisfactory access and turning facility shall be provided to the reasonable satisfaction of the Local Planning Authority in respect of no. 40 Railway Lane, in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: To replace facilities for the existing dwelling in order to prevent parking on the adjacent highway, in the interests of highway safety.

5 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

6 The dwelling shall be of two storey construction.

Reason: In the interests of visual amenity.

7 Before the construction of the dwelling, the existing garage building shall be demolished and the resultant rubble either removed from the site or otherwise used in the approved development, to the reasonable satisfaction of the Local Planning Authority.

Reason: In the interests of visual amenity.

The applicant is reminded that separate notification to the Council is required under Section 80 of the Building Act 1984 prior to any demolition and that Building Control Services should therefore be advised at the appropriate time.
