Dear David,

Application to discharge planning conditions 4 and 5 of H18-0341-10 (Installation of 11km of underground electrical cables (and alterations and extensions to Walpole substation within Kings Lynn and West Norfolk) to link with offshore turbines (renewal of H18-0122-07)).

Please find enclosed an application for discharge conditions 4 and 5 of H18-0341-10 in relation to the onshore export cable route to serve the Race Bank offshore wind farm. Condition 4 stated:-

"*A detailed scheme of construction management to minimise disturbance during the construction process through noise, dust, vibration and smoke shall be submitted to and approved in writing by the Local Planning Authority and the construction process shall be carried out in accordance with the scheme so approved"*.

Condition 5 stated:-

"*Details of the precautions to be taken to prevent the deposit of mud on public highways by vehicles travelling from the site during construction of the development shall be submitted to and approved in writing by the Local Planning Authority before the development commences. These facilities shall include the provision of wheel washing facilities where considered necessary by the Local Planning Authority. These precautions shall be made available before commencement of the construction of the development and be kept available and in full working order until such time as the Local Planning Authority agrees in writing to their withdrawal or the completion of the development*".

The details required under condition 5 are presented at paragraphs 3.25 to 3.27 as part of the enclosed Construction Management Plan document.

The application has been submitted via planning portal under the reference PP-03944288. If you would kindly acknowledge receipt of the application, quoting a reference number, I will arrange for the £97 application fee to be paid without delay.
