Dear Sir

CHANGE OF USE OF FORMER GREENWORLD SITE TO STORAGE AND DISTRIBUTION (USE CLASS B8)
GREENWORLD PARK, SUTTON BRIDGE, LINCOLNSHIRE, PE12 9RN

Please take this letter as supplementary information in support of a planning application for the above submitted via the Planning Portal, reference PP-07571419.

The proposed use is for the same use class as that permitted on the site and, therefore, in planning terms a planning application for the change of use would ordinarily be unnecessary. However, we have decided to submit an application on behalf of our client in order to obtain a 'clean' planning permission to reflect the fact that compost will no longer be imported, stored and processed on site.

There are no changes proposed to the existing buildings or the site, other than the introduction at some point in the future of a new security fence around the perimeter of the site and details of which are included in the application documents.

We trust you will receive this application favourably, but should you require any further information, please do not hesitate to contact us.

Yours faithfully
