No Dimensions to be scaled from this drawing

A collage of 14 photographs showing various plants and trees used in landscaping. The images include: a large green tree on a lawn; a tree with autumn-colored leaves; a close-up of red berries; a long green hedge; a wide green lawn with trees in the background; a large green tree on a lawn; a close-up of purple flowers; a close-up of white and yellow flowers; a close-up of pink flowers; a close-up of a tree trunk; a long hedge with pink flowers; a close-up of a tree trunk; a tree on a lawn; a close-up of a tree trunk; and a large tree on a lawn.

POTENTIAL PLAY AREA EQUIPMENT
Roundabout, Russell Play Silhouette, Tubular Bells,
Multi-use Play Frame, Experience Panels, Cradle Swings.
Sensory planting included to give unique play experiences.

Native trees to rear gardens will add to the sites biodiversity and soften the northern boundary of the site.

Proposed native structural tree and shrub planting to the POS boundaries will create a defensible edge to the site in these areas and offer new wildlife habitats and opportunities foraging.

Ornamental tree, hedge and shrub planting are proposed within the development to create individual characteristics within the development. Tree and specimen shrubs will add a vertical interest to the street scene

Proposed tree planting will create formal and attractive avenues into the site

Tree and shrub planting has been used to help frame and enhance views around the site and within open spaces/areas of play and recreation

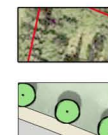

Existing vegetation to site boundaries is to be retained and enhanced where possible

Proposed meadow and wet wildflower grasses within public open space areas will enhance the proposed developments biodiversity credentials.

Key:

Application Site Boundary

Existing Vegetation Retained

Proposed Trees

Proposed Shrub

Proposed Hedge

Wildflower Grassland

Proposed Play Areas

Yarrow *Achillea millefolium*
Common Knapweed *Centaurea nigra*
Wild Carrot *Daucus carota*
Lady's Bedstraw *Galium verum*
Oxeye Daisy *Leucanthemum vulgare*
Birdfoot Trefoil *Lotus corniculatus*
Ribwort Plantain *Plantago lanceolata*
Cowslip *Primula veris*
Meadow Buttercup *Ranunculus acris*
Bulbous Buttercup *Ranunculus bulbosus*
Common Sorrel *Rumex acetosa*

The block contains four photographs of trees. The top-left photo shows a large, mature green tree with a thick trunk in a grassy field. The top-right photo shows a tree with dense, vibrant red foliage. The bottom-left photo shows a row of green trees in a field under a blue sky. The bottom-right photo shows a large green tree in a field, similar to the top-left one but with a slightly different shape.
